33RD SUNDAY IN ORDINARY TIME

"A man going on a journey called in his servants and entrusted his possessions to them." In today's Gospel parable, this man represents God, and the servants represent us. The story makes a clear point about the importance of putting the gifts God has given us to good use. Unlike the first two servants, the third servant chose not to make a return on his "talent." Thus we can understand the frustration of the master. He trusted this servant, and the fellow let him down. Remember, this all began with an act of trust when the master handed over care of his things. The fact is that the third servant did not take good care of what he was given.

What have we been given? Some gifts from God we all share in common: life and salvation. But others differ from person to person. We each have our own set of "talents": our personal skills, our material blessings, our education, family background, and so on. Some have more, and some have fewer. But the point is that we are called to make the most of what we have, whatever that may be.

Perhaps the starting point for making a return on God's investment in us is to recognize that what we have is really his! In a sense, our gifts and skills, even our lives, are all "on loan" from God. He is generous in sharing his life and his blessings with us. And, like the parable's master, he is quick to praise and reward our efforts. But when we choose to be "wicked, lazy" servants, taking everything for granted and not using our gifts for God's glory, then "even what [we have] will be taken away." What we bury underground is as good as gone. So let's bring our gifts into the light of day by sharing them with others and making the best possible use of all we've received.

33ER DOMINGO DEL TIEMPO ORDINARIO

El año litúrgico está llegando a su fin, el próximo domingo celebraremos la solemnidad de Nuestro Señor Jesucristo, Rey del Universo. Por esta razón se nota el tono escatológico de las lecturas de los últimos domingos del tiempo ordinario. El Evangelio de este domingo nos narra la parábola de los talentos, se nos indica que hay que fructificar, hay que aprovechar el tiempo. De un momento a otro el Señor estará con nosotros como juez universal. En la parábola vemos como un hombre se va a tierras lejanas y reúne a tres de sus empleados para confiarles sus pertenencias. Reparte talentos, cinco y dos. Estos trabajan y entregan bien las cuentas. Sin embargo, el de un talento no trabaja y es reprendido y echado fuera por no sacar provecho de lo que se le había confiado.

La plegaria eucarística IV nos habla de cuidar lo que Dios nos ha encomendado, los bienes de este mundo, es decir, la creación entera, además de los bienes de nuestras propias cualidades de nuestros dones. "A imagen tuya creaste al hombre y le encomendaste el universo entero, para que, sirviéndote sólo a ti, su Creador, dominara todo lo creado". La parábola nos llama a reflexionar en: nuestros talentos, la vida familiar y la espera de la venida del Señor. Ojalá que al participar en la Eucaristía el Señor nos dé la gracia que necesitamos para vivir con seguridad y confianza en el Señor. ¿Dónde están trabajando nuestros talentos? ¿Están escondidos por vergüenza o por flojera? Al usarlos creativamente somos fieles a Dios y a la creación que nos rodea.
