THE EPIPHANY OF THE LORD

“And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was.” In our day and age, the star of Christmas has become a kind of decorative symbol that adorns manger scenes and Christmas trees. It suggests something good and bright and holy, a visual indicator that the “Light of the world” has appeared. But today, on the feast of the Epiphany, we recall that originally, this star was not just a pretty symbolic ornament. This star was a sign from God that intervened in the operations of the physical universe. The Magi understood that this star was sent from God to indicate where his Son would be born.

Of course it should not surprise us in this season of all seasons that God should choose to order the universe according to his purposes. Jesus has just been born of a virgin! God has just taken on human flesh. These events in themselves are extraordinary divine interventions--miracles that defy the standard operation of things. Why shouldn't God choose to send a luminous star where he wants it, when he wants it? Why shouldn't he reveal his plan through the things that he created in the first place?

The beauty of today's feast is found, in part, in the fact that the Magi were able to recognize this sign from God. They waited for it, they saw it, and they rejoiced in it: “They were overjoyed at seeing the star.” We too should be overjoyed in this season of God's special revelation to us. We may need the eyes to recognize it, but truly we have waited for a Savior, we have seen his appearance at Christmas, and now it is time to celebrate! God is at work in our physical world. He has come here, now to save us. This is cause for rejoicing!

LA EPIFANÍA DEL SEÑOR

Seguimos celebrando el nacimiento del Hijo de Dios y la liturgia nos invita hoy a entrar de lleno al misterio de la Epifanía del Señor.

Epifanía viene del griego y significa manifestación. Hoy Dios se manifiesta al mundo por medio de los tres reyes. La Iglesia Griega celebra la Epifanía a lo grande, la Iglesia Católica la celebra después del nacimiento de Jesús. En la antigüedad se creía generalmente que las estrellas y los planetas tenían un significado especial en el nacimiento de personas importantes. Los magos que llegaron hasta Jesús no eran magos como los que vemos en el circo que hacen magia, sino que eran las personas sabias de aquellos tiempos. Es importante que expliquemos a los niños esta gran diferencia especialmente porque muchas veces esperan la magia de muchos juguetes.

¿De qué forma Dios se ha manifestado a nosotros en esta Navidad? ¿Qué hemos encontrado en la jornada de búsqueda de Dios en nuestra vida? Recordemos que en el camino de la vida nuestro enfoque principal debe ser el Señor Jesús. Hace apenas 8 días celebramos con alegría el Año Nuevo ahora tenemos casi 365 días de páginas en blanco para llenarlas con proyectos y sueños propios. El más importante es continuar moviéndonos hacia Cristo. Que no se pierda la estrella de la Navidad entre lo cotidiano de la vida. Que siempre preguntemos a los que nos rodean, “¿Dónde está el rey de los judíos que acaba de nacer? Porque vimos surgir su estrella y hemos venido a adorarlo” (Mt 2, 2). Que durante el año recordemos las siguientes palabras: Gloria a Dios en las alturas, nacido en Belén, magos de oriente llegaron a Jerusalén. ¡Que así sea!
