Across the Diocese of Fresno, people are quietly struggling. Some have never asked for help before. But when the fridge is empty... when the lights are about to be shut off.. when hope feels out of reach - Catholic Charities is there. In every corner of our Diocese, we're offering food, rental assistance, support for immigrants, disaster relief, and so much more. And this work keeps moving forward because hearts like yours make space for mercy.

Whether your parish is big or small, in one of our Valley cities or rural communities, you are part of something bigger: a Church that catches people when they fall. Your compassion stretches far beyond your pews. It reaches your neighbors - people you may never meet, but whose lives are forever changed because someone cared.
